

EC – declaration of conformity

Description of the product: Three-phase squirrel-cage induction motor

Type **7AA...**, **7BA...**, **7EA...**, **9AA...**, **1TZ9...**, **12AA...**,
16BA..., **14BG...**, **16BG...**, **12BA...**,
Frame sizes **56 – 355 mm**

Single-phase squirrel-cage induction motor

Type **7JB...**, **7JE...**, **4APC...**, **4APCC...**,
Frame sizes **56 – 100 mm**

The named product is in Conformity with the requirements of the following European Directive

2006/95/EC Directive of the European Parliament and the Council on the harmonization of the laws of Member States relating to electrical equipment designed for use within certain voltage limits.

Conformity with the requirements of these Directives is testified by complete adherence to the following standards

EN 60034-1 *): **2004**

EN 60204-1: **2006**

*) with all relevant parts

The named product is intended for fitting in another machine. Commissioning is prohibited until Such time as the and product has been proved to conform to the provisions of Directive **2006/42/EC**.

This Declaration does not give assurance of properties within the meaning of product liability. The safety instructions provided in the product documentation must be observed.

According to the guideline, squirrel-cage induction motors do not fall under the directives of EMC Guideline **2004/108/EC**, and thus no CE identification for the EMC guideline is required.
